

## NATURALLY INNOVATIVE

Lahnpaper is a quality-driven market leader in the international market for fibre products, looking back on over 100 years of experience in the development, production and further processing of nonwovens and special paper. Lahnpaper is part of the Kajo Neukirchen Group. Around 170 employees strive to offer our customers and partners genuine added value. This applies particularly also to exceptional customer solutions that are successfully and efficiently implemented thanks to state-of-the-art technology and experienced experts.

When it comes to production, our company attaches a great deal of importance to the sustainable and environmentally friendly use of resources such as raw material, water, and energy. Numerous Lahnpaper products are available with the FSC® or STANDARD 100 by Oeko-Tex® certifications. In addition, Lahnpaper is certified according to DIN EN ISO 14001 (environmental management), DIN EN ISO 50001 (energy management) as well as DIN EN ISO 9001 (quality management).
