

NATURALLY INNOVATIVE

Lahnpaper is a quality-driven market leader in the international market for fibre products, looking back on over 100 years of experience in the development, production and further processing of nonwovens and special paper. Lahnpaper is part of the Kajo Neukirchen Group. Around 170 employees strive to offer our customers and partners genuine added value. This applies particularly also to exceptional customer solutions that are successfully and efficiently implemented thanks to state-of-the-art technology and experienced experts.

When it comes to production, our company attaches a great deal of importance to the sustainable and environmentally friendly use of resources such as raw material, water, and energy. Numerous Lahnpaper products are available with the FSC® or STANDARD 100 by Oeko-Tex® certifications. In addition, Lahnpaper is certified according to DIN EN ISO 14001 (environmental management), DIN EN ISO 50001 (energy management) as well as DIN EN ISO 9001 (quality management).

WALLS TURNING INTO DESIGN HIGHLIGHTS

FASCINATINGLY FABULOUS WALLCOVERINGS

varitess® Vinyl

USING EVERY FREEDOM TO SHAPE DESIGN

varitess® Vinyl is the high-quality wallpaper nonwoven that offers a multiplicity of wallpaper options. During the printing process, the nonwoven perfectly maintains its dimensional stability and is ideally suited for further processing, mainly using screen, digital and combination printing procedures or hot stamping and coatings. This produces refined masterpieces that turn rooms into unique spaces – such as, for example, high-volume relief wallpapers with golden highlights that create a fascinating interplay between light and shadow. Tradespeople too love varitess® Vinyl as it makes the job of wallpapering and dry stripping so much easier.

ALL BENEFITS OF varitess® VINYL:

- ✓ great dimensional stability
- ✓ high volume
- ✓ pleasant haptics
- ✓ great dimensional stability during the printing process
- ✓ excellent further processing
- ✓ retaining stability during embossing
- ✓ easy dry strippability
